Dear Luderick

RE: PARTICIPATION – MARSH MEMORIAL HOMES FOR ABUSED CHILDREN

Thank you very much for bringing the bikers along to the Marsh Memorial Homes fete. The kids really enjoyed seeing the bikes and being able to sit on them. Your guys were wonderful with the kids (and I think some adults too). Your participation lent to the spirit of the day and folk were really happy to see the variety of entertainment laid on. This all adds to assisting us in looking after the children at Marsh Memorial Homes to the best of our ability and in trying to provide them with as close to a normal environment as is possible

Thank you for your kind participation. Please do not hesitate to contact Elizabeth Danckwerts, tel 0824687504, if you need more information. Email [aecon.e@mweb.co.za](mailto:aecon.e@mweb.co.za).

Kind regards
